PAUSE FOR THOUGHT!!!!

If you woke up this morning with more health than illness... you are more blessed than the million who will not survive this week. If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, the pangs of starvation... you are ahead of 500 million people in the world. If you can attend a church liturgy without fear of harassment, arrest, torture or death...you are more blessed than three billion people in the world. If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep... you are richer than 75% of this world. If you have money in the bank, in your wallet, and loose coins in a dish somewhere... you are among the top 8% of the world's wealthy. If your parents are still alive and still married to each other... you are a very rare individual. If you can read this message...you are more blessed than over two billion people in the world who cannot read at all.

All-powerful and ever-living God, direct your love that is within us, that our efforts in the name of your Son may bring mankind to unity and peace.
