PAUSE FOR THOUGHT!!!!

God gave you 86,400 seconds today. Have you used one to say "Thank you"?

To the world you might be one person; but to one person you might be the world.

Flowers are like humans - they thrive on a little kindness.

Don't give God instructions, just report for duty. *Speak well of your enemies, after all, you made them.*

A life spent making mistakes is not only more honourable, but more useful than a life spent doing nothing.

In God's eyes you do not need to do great things -just small things with great love.

If you have the POWER to make someone happy, do it. The World needs more of that.

GENERAL PARISH NOTICES

October is Mission Month! A time of celebration when churches worldwide come together to support the life-changing work of our fearless missionary brothers and sisters overseas. **Today is World Mission Sunday** It is the one day in the year that Pope Francis asks for your extra generosity. On this day, collections will be taken up throughout the world and used to help support missionaries who bring faith, hope and love to those who are suffering. On this day, your generosity will ultimately help build churches, hospitals, schools and vocations in countries where the Church is too young or poor to support itself. For Mission Month 2018 we're embracing the words of Pope Francis when he says all 'Christian Families are Missionary Families'. What better way to commemorate the recent World Meeting of Families than by using his words as the theme for Mission Month 2018! During the month, there are many, many ways you can show your support – be it through action, giving or prayer. **There will be a second collection for the missions today.**
