PAUSE FOR THOUGHT.....

You don't need to know what tomorrow holds. All you need to know is the One who holds tomorrow.

If you believe it will work out, you'll see opportunities. If you believe it won't, you will see obstacles.

Believe you can and you're halfway there.

Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible. – Francis of Assisi

It's not about perfect. It's about effort. And when you bring

that effort every single day, that's where transformation happens. That's how change occurs
