### PAUSE FOR THOUGHT...

You don't need to know what tomorrow holds. All you need to know is the One who holds tomorrow.

*If you believe it will work out, you'll see opportunities. If you believe it won't, you will see obstacles.*

*We know that in all things God works for the good of those who love him, who have been called according to his purpose.*

Romans 8:28

*If you set goals and go after them with all the determination you can muster, your gifts will take you places that will amaze you.*

**Saturday is also World Day for Consecrated Life.** Pope Francis is asking the church's religious sisters, brothers and priests to 'wake up the world' with their testimony of faith, holiness and hope. The celebration of the Day of prayer for Consecrated Life is associated with the Feast of the Presentation (Candlemas Day) February 2, the day on which candles are blessed symbolising Christ who is the light of the world. So too, those in consecrated life are called to reflect the light of Jesus Christ to all peoples.

**Catholic Schools Week. Celebrating the Work of Our Own Catholic School.** Each year Catholic Schools Week provides Catholic school communities with an important opportunity to celebrate 'who they are' and 'what they do'. This year the theme for Catholic Schools Week 2019 is 'Catholic Schools: Celebrating the Work of Our Own Catholic School'.
