Lent begins on Ash Wednesday, 6 March, and will conclude on Holy Saturday, 20 April, the day before Easter. Lent invites us to personal spiritual renewal, and also to be mindful of our poor, oppressed and persecuted sisters and brothers and to reach out to them in their hour of need.

The Pope's Lenten Message calls for conversion. In his message for Lent, Pope Francis warns that once God's law is forsaken, the law of the strong over the weak takes over. Pope Francis is calling on the faithful not to let the Lenten season of grace pass in vain, and to live as children of God acknowledging and obeying His law, in particular in regards to our brothers and sisters and to creation. In this year's Lenten message, the Pope invites believers to prepare to celebrate the paschal mystery with mind and heart renewed, warning that "Sin leads man to consider himself the god of creation, to see himself as its absolute master and to use it, not for the purpose willed by the Creator but for his own interests".

The Trocaire 2019 Campaign is focusing on Land Rights. In our world today, one quarter of families are landless. Losing land often means a loss of independence and leads to poverty. Land is more than a piece of arable ground. It is the means to feed a family and make a living. It is a place to build a home and a family, to have security and to look to the future. In many places, communities have a spiritual and sacred connection to their land. Across the countries where Trócaire works, people who depend on land to make a living do not own or control their land. This year we hear stories from Uganda, Guatemala and Lebanon This Lent we are focusing on three families from these countries who have been or are being forced off their land.
