Public Worship

- The dispensation from Sunday and Holy Day obligation is extended for the time being. It is important that no one feels under pressure to return to Mass at this time. Some people may feel more comfortable attending a mid-week Mass instead of a Sunday Mass.

- It goes without saying that those who feel unwell or have any of the Covid-19 symptoms or have been in recent contact with someone with Covid-19 should not attend Mass.

- Numbers will be limited due to the 2-metre social distancing rule that is currently in place. 75 people in Corlough, 60 people in Bawnboy and 50 people in Kilnavart can safely be accommodated in each church.

- People from the same household are asked to sit together, even if they travel separately, as this will increase the capacity of each church.

- The outdoor speakers will be left on for those who cannot gain access. When you arrive at Mass on Sunday, you will be welcomed at the door and ushers will guide you to your place.

- Each church will have sanitiser dispensers in place. People are asked to sanitise their hands as they enter and exit the church.

- Holy Water fonts will not be in use for the time being.

- All collections will take place before Mass. You can place your offerings in the collection box at the door.

- You will collect your own leaflet and newsletter on the way into Mass and bring it with you at the end of Mass.

- People must keep physically distant from each other - this means that you will most likely not be able to sit in your normal seat.

- The front seats will be filled first.

- The traditional Sign of Peace will be omitted.

- The procession for Holy Communion should take place in an orderly fashion, while at all times observing the rules of social distancing.

- It is recommended that people receive Holy Communion on the hand.

- Priests and Eucharistic Ministers will sanitise their hands immediately before distributing Communion and will sanitise them again afterwards. They will wear face-masks during the distribution of Communion to protect those receiving Communion.

- People can make a Spiritual Communion if they feel uncomfortable receiving Communion at this time.

- People will exit the church in an orderly fashion and will be asked to follow the direction of the ushers.

- The door handles, seats, candle shrines, sacristy, toilets etc will be sanitised frequently. A spray steriliser/fogger will be used to sterilise the 3 churches.

- We are advised to wear face-coverings while in congregated settings at this time.

- People are asked to be kind to the volunteers as we all try to adjust to a new reality.
